Cell for IPR Promotion and Management (CIPAM)**

**Organizes**

**Two Days Training Programme on  
Intellectual Property Rights (IPR)**

**28<sup>th</sup> and 29<sup>th</sup> January 2021**

## About Rashtriya Raksha University

The University is destined to grow as a model security educational University of India. Its endeavors focus on highly professional security, strategic and defense education, research and training through its qualified civilian and military faculty, committed human resource, motivated participants and students, intellectually stimulating and professional disciplined environment and world-wide network, sharing and exchange. It aims at providing security and strategic education in the contemporary and futuristic security and strategic studies and interdisciplinary areas.

The University contributes to vision of India of Peace, Prosperous and Stable World in alliance with grand strategic cooperation between like-minded nations and promoting greater understanding between senior military officers, diplomats, civil servants and civilians to promote the cause of the Nation.

It adopts a two tier approach, at the national and international levels, in its education, research and training and extension in order to achieve capabilities to respond to the needs, expectations and aspirations of the security and strategic institutions and forces as well as law-making, governance, judiciary, economy (agriculture-manufacturing-service sectors) and the civil society organizations.

## About Research & Publications

Research is an integral part of the activities of RRU. The directorate conducts researches within its academic programmes under all the schools to study & explore semi-structured & unstructured problems to provide scientific, optimal & innovative solution in order to maintain peace and harmony in society and country.

Research & Publications division offers M.Phil., Ph.D. programs, PDF, internship, trainings, and consultancies, carries out Research Projects funded by University and External Agencies and has cells like Intellectual Property Rights Cell and Publication House. We publish books on Police Science, International Research Journal on Police Science, University Magazine, Conference proceedings, etc. The Research & Publications is also having well developed and sophisticated research labs in Forensic Science, Behavioral Forensics and Cyber Security as well as developed various internal security products, which were copyrighted and registered for Patents.

The R&P regularly organize Seminar, Conferences, ToT's, Workshops, Awareness Programs and Value Added Courses, etc. Recently we had organized National level Research Methodology workshop sponsored by ICSSR, International Conference on Police Science & National seminar on IPR and Cyber Security.

## **About Cell for IPR Promotion and Management (CIPAM)**

The Cell for IPR Promotion and Management (CIPAM), is a professional body under the aegis of the Department of Industrial Policy and Promotion (DIPP), Ministry of Commerce and Industry. CIPAM is created to ensure focused action on issues related to Intellectual Property Rights (IPR) identified in the National Intellectual Property Rights (IPR) Policy, 2016.

The National IPR Policy lays down seven objectives and proposes corresponding action points for each objective. With regard to effective implementation of objective 6 i.e. 'Enforcement and Adjudication of IPRs', it is vital to sensitize various enforcement agencies about IPRs, as also about their role in its effective enforcement. Capacity Building of the enforcement agencies not only aid in strengthening the enforcement eco-system in the country, but it also helps officials in their day to day activities.

With this objective, Cell for IPR Promotion and Management in collaboration with the Rashtriya Raksha University , Gujarat has decided to jointly organize Training of Trainers (ToT) course for selected police officials, Faculties and Researchers on awareness of Intellectual Property Rights. These trained master trainers will help in further strengthening the enforcement mechanism for IPRs by training the officials in their respective States on the subject and Academic institutions and universities.
