Dear Students,

This is to inform you that strict measures will be enforced to address any unauthorized residency or engagement in activities within RRU's hostels. We kindly urge you to refrain from such actions.

It is important to note that permission for your stay will only be granted by the hostel authority upon prior information from the respective schools through the respective school director, provided there is a valid reason. Requests for accommodation related to academic activities, submitted by the school with adequate details and responsibility, will be analyzed for approving the request.

@Hostel Office , please ensure the same and educate the @Hostel Representative also.

With Thanks and Best Regards,

Pavan Soni
