## Guidelines for Students

To ensure the proper and disciplined use of the laundry services in the hostel, students must adhere to the following guidelines:

- Follow the recommended usage and maintenance protocols to ensure the washing machines remain in good condition and available for the next user.
- For a smooth laundry experience, follow the steps outlined in the user manual of the Haier Wash application.
- Do not wash items such as college bags, shoes, or any non-clothing materials in the washing machine.
- Do not overload the machine, as excessive weight may damage the motor and reduce wash efficiency.
- Remove all coins, keys, and small objects from your laundry before placing it in the machine to prevent drum damage.
- Do not open the washing machine door during the cycle or in case of a power outage.
- Any misuse or deliberate damage to the washing machine will result in immediate disciplinary action and a penalty of Rs. 1000.
- The Head of Hostel and Hostel Warden have the authority to take necessary disciplinary actions, impose fines, or conduct inquiries in case of misconduct.
