# Vice Chancellor's Message

## **Professor (Dr) Bimal N. Patel**

Vice - Chancellor

Rashtriya Raksha University

Member, United Nations International Law Commission

Member, National Security Advisory Board, India

### **“RRU is the Jewel of the Nation” quote by Hon'ble Prime Minister**

**Attitude, Skills, Knowledge and Competency (ASKC) of international standards in Training, Research, Education and Extension (TREE) have become the fundamentals of all programs and activities of the Rashtriya Raksha University, an Institution of National Importance, Ministry of Home Affairs, Government of India.**

**The University has embraced the mission of national security and policing and as the line between external and internal security is blurred, RRU has institutionalized high standards of assessment and certification of programs run by security organisations and forces – armed forces, central armed police forces, central police organisations and state police organisations of India and recognize the learning and training endeavours pursued by their personnel, contributing to the upskilling mission in the realm of national security and police of India.**

**The experience has been deeply satisfying and at the same time newer innovative standards are being put in place as part of the journey of excellence. Appreciation and support by the central and state leadership and heads of security forces and organisations, besides professionals, remain a strong source of encouragement and motivation. Their visits and interactions with faculty and staff of 10 Schools and SASTRA has given a new impetus to the overall vision of Shri Narendra Modi, Hon'ble Prime Minister, the founding visionary of the Raksha Shakti University (RSU), predecessor of the RRU.**

**As India celebrates Amrut Kal in the next 25 years, the University is entrusted with the mandate to become the Global Leader in training, educational and research in areas related to security, police and correctional administration. Our educational, training, research and extension program are aligned with the needs, concerns and interests of national security and police. Our focus remains to create and contribute manpower who can serve the cause with the highest professional distinction, discipline, moral and patriotism.**

**As a partner organization in the domain field under Indian Technical and Economic Cooperation (ITEC) of the Ministry of External Affairs, RRU is reaching out to security organisations and police academies and institutions and joining hands of collaboration. The results are all but highly encouraging. Similarly, the University aims to inculcate ethos and values of Karma-Yogi, as emphasized by Shri Amit Shah, Hon'ble Union Home Minister, in the security and police personnel during their association with the University, enabling the Capacity-Building Commission of India in its similar goals for the entire public service system of the Nation.**

**Nearly 300 staff including 100 faculty, besides experienced and veteran resource faculty from across the globe contribute to the mission of the RRU. RRU main campus in Lavad-Dehgam (Gandhinagar-Gujarat) has become the visiting place for everyone willing to learn and exchange ideas and suggestions for furtherance of the cause of national security and police. We look forward to welcoming you to our professional and academic certificate, diploma, degree and research programs and contribute to the fulfilment of your aspirations.**

**Jai Hind !!!**

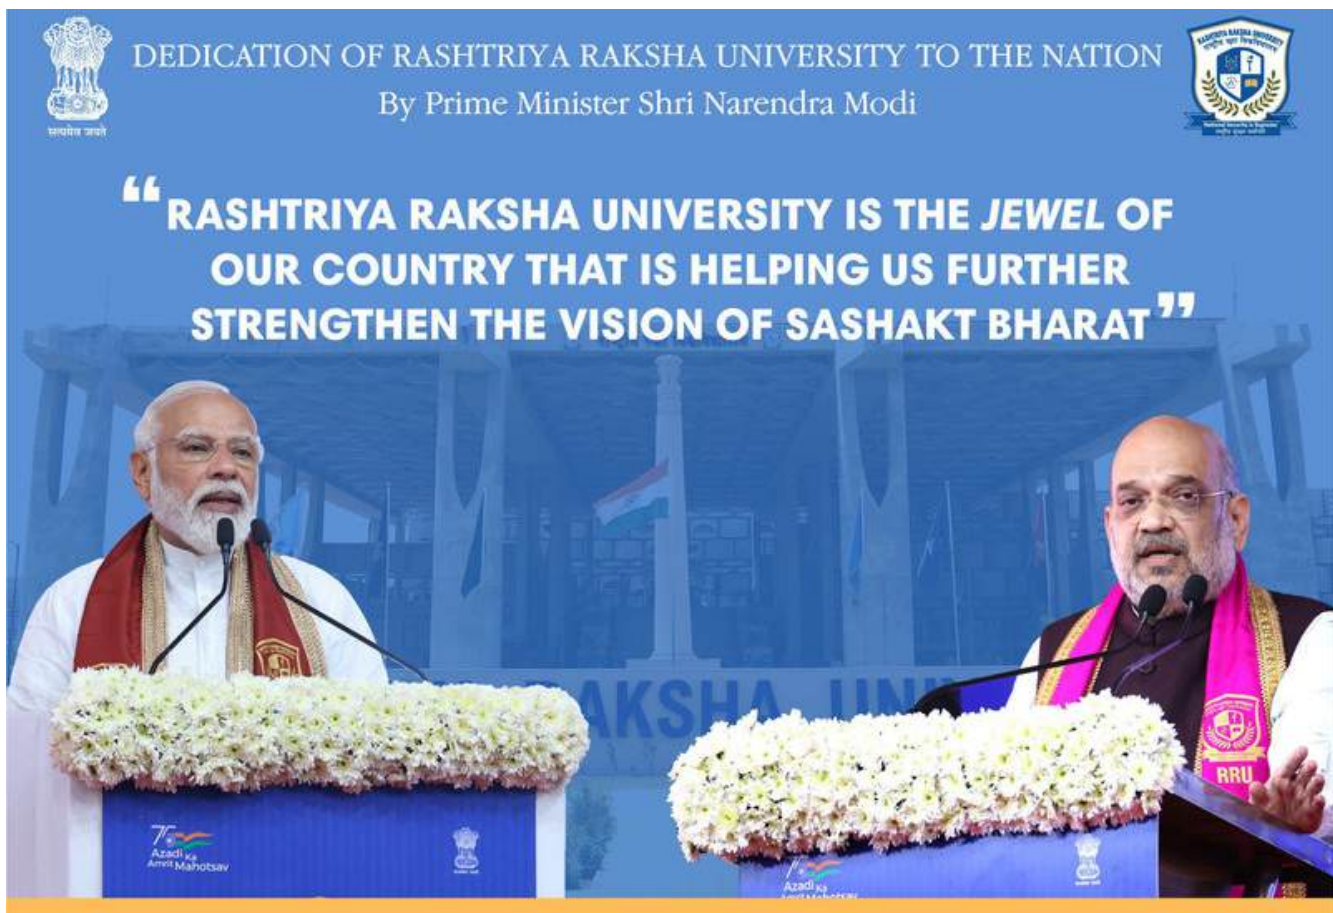

# About Rashtriya Raksha University

The University is destined to grow as a model security educational university of India. Its endeavor is to focus on highly professional security, police education, research, and training through its qualified civilian and security faculty, committed human resources, motivated participants and students, through intellectually stimulating and professional disciplined environment, and worldwide network, sharing, and exchange. It aims at providing security and strategic education in the contemporary and futuristic security and strategic studies and interdisciplinary areas.

The University contributes to the vision of India i.e., Peace, Prosperous and a Stable World in alliance with grand strategic cooperation between like-minded nations and promoting greater understanding between internal security officers, military and para-military forces, diplomats, civil servants, and civilians to promote the cause of the Nation.

It adopts a two-tier approach, at the national and international levels, in its education, research and training, and extension in order to achieve capabilities to respond to the needs, expectations, and aspirations of the security and strategic institutions and forces as well as law-making, governance, judiciary, economy (agriculture-manufacturing-service sectors) and the civil society organizations.

# About School of Integrated Coastal and Maritime Security Studies

**“Preparing young minds to build  
Viksit Bharat in Amrit Kaal.”**

**Dr. S Jaishankar**  
Hon'ble External Affairs Minister

India has a long coastline spanning over more than 7,500 kilometers and is exposed to several coastal and maritime security threats and challenges. In the changing paradigm of the global order and security in the 21st century, India has expanded its horizon in the maritime domain and established itself as a maritime power.

The School of Integrated Coastal and Maritime Security Studies (SICMSS) seeks to explore and assess the trajectory of law, policy and governance systems affecting India's strategic space at the national, regional and international levels.

SICMSS is equipped with experienced faculty who are experts in the operational, legal and academic domains. The School envisions to provide excellent academic, research and training support to national agencies in ensuring coastal and maritime security. It provides a unique blend of national and international best practices in the domain of coastal security, maritime security and the Law of the Sea.

SICMSS has specially designed programmes and is supported by a pool of experts from academia and industry catering to all segments and stakeholders in the respective maritime areas, making it one of its kind institution in Asia.

## Vision

The Vision and Mission of SICMSS is to become a leading School of excellence in teaching, research, training and extension activities in the area of coastal and maritime security studies.

## Mission

- Assist national security and intelligence agencies in coastal and maritime security studies.
- Emerge as a school of excellence in executive trainings in the areas of coastal security.
- Serve as a national think tank by providing policy oriented research and filling gaps in contemporary coastal and maritime security issues.
